

vidme Membership & Affiliate Plan

Member

A Member is a customer who pays a \$34.99 monthly subscription for full access to the vidme platform, including tools, resources, coaching, and content designed to help you grow and thrive.

Affiliate

An Affiliate is a Member who chooses to share vidme with others and earn income through our simple yet powerful affiliate program. No additional fee required — choose to become an Affiliate and start sharing, referring and enrolling.

Affiliate Program

Why Become a vidme Affiliate?

- The simplest and most effective way to earn money online.
- Perfect for creators, entrepreneurs, and everyday individuals.
- Offers unlimited earning potential with recurring monthly income.

How Do You Make Money as an Affiliate?

Affiliate Commission Plan

General Affiliate

You become a General Affiliate once you directly refer at least one active member.

As a General Affiliate, you earn:

- 20% commission monthly for each active Member you personally refer to vidme (your Tier 1).

Qualified Affiliate

You become a Qualified Affiliate once you directly refer at least two active Members.

As a Qualified Affiliate, you also earn:

- 12% commission monthly for each active Member referred by your personal Tier 1 Affiliates (your Tier 2).
- To maintain Qualified status: You must always have at least two active, personally referred Members.

Influencer Bonus (25% Check Match)

When you personally enroll 10 or more active Members, you unlock the Influencer Bonus.

Here's what you earn:

- A 25% check match bonus on the total base commissions earned by each of your personally enrolled Affiliates (their Tier 1 + Tier 2).

* This bonus excludes any Influencer Bonuses your Affiliates may receive.

You must maintain 10 active, personally referred Members to stay eligible.

Income Disclaimer & Disclosure

The vidme Affiliate Program is designed to reward those who share our platform and community with others.

- Results are not guaranteed.

- Income depends on individual effort, skill, consistency, and market dynamics.

As a new platform, we do not yet have sufficient data for formal income disclosures, but this will be shared as soon as available.

Any earnings examples shared are hypothetical and for illustrative purposes only.

Past or projected earnings may not reflect actual results, and are subject to revision.
